I do certify that I have set down in the above Assessment Rolls All the real property liable to taxation in Ticker, Lawrenson, Kitchen, Baldwin, Blocker, Coleman and Murney Parks and the true actual value thereof in each case according to the best of my information and judgment and also that the said Assessment Rolls contain a true statement of the aggregate amount of the personal property, or of the taxable income of every party named on the said Rolls; and that I have estimated and set down the same according to the best of my information and belief and I further certify that I have entered thereon the names of all the resident householders, tenants and freeholders, and of all other persons who have required their names to be entered thereon with the true amount of property occupied or owned, or of income received by each and that I have entered thereon the names of any persons whom I do not truly believe to be a householder, tenant or freeholder or the bona fide occupier or owner of the property or in receipt of the income set down opposite his name for his own use and benefit And I further certify that according to the best of my knowledge and belief I have entered thereon the name of every person entitled to be so entered either as a landholder or son or as a wage earner and that I have not intentionally omitted therefrom the name of any person whom I knew or had good reason to believe was or was entitled to be entered thereon either as a landholder or son or as a wage earner and I further certify that the date of delivery or transmitting the notice required by election forty one of the assessment act is in every case truly and correctly stated in the said roll And I further certify and swear that I have not entered the name of any person at too low a rate in order to deprive such person of a vote, or at too high a rate in order to give such person a vote or for any reason whatever; and that the amount for which each such person is assessed upon the said roll is truly and correctly appears in the said notice delivered or transmitted to him as aforesaid.

I have not entered any name in the above Roll or improperly placed any letter or letters in column to displace any name with intent to give to any person not entitled to vote a right of voting.

I have not intentionally omitted from the said roll the name of any person whom I believe entitled to be placed thereon, nor have I in order to deprive any person of a right of voting omitted from column to displace the name of such person any letter or letters which I ought to have placed thereon.
